Scott Virgin, CMI  
Miami Marine Survey, LLC  
3884 Crawford Ave.  
Miami, FL 33133

Dear Scott Virgin;

Congratulations on having taken and passed IAMI's Certified Marine Investigator examination on March 20, 2019, in Biloxi, Mississippi. As a CMI, you are herein authorized to use the International Association of Marine Investigators' designation; **Certified Marine Investigator**, or the letters '**CMI**'.

**Your official CMI number is: 171**

You are now authorized to use these designations and/or either a rubber stamp or an embossed seal that follows the format as per the attached example. The artwork has been paid for and resides at: California Stamp Company, if you desire a stamp or embosser, fax or send a copy of this letter showing your official number and suitable payment (reference Marine Investigators). You may, of course, have your stamp or embosser made locally should you desire as long as it follows the format as attached.

Please provide a digital photograph head shot and a short biography to be included in the IAMI-CMI directory online. Please provide these to IAMI Headquarters at: [iamimarine@iamimarine.org](mailto:iamimarine@iamimarine.org) at your earliest convenience.

Congratulations again on achieving this certification; we look forward to your continued involvement with IAMI and its goals, and to your participation at future training seminars.

Sincerely,

---

Nathan Allen, CMI Program Administrator
